Upgrade to Optional Lock-Out Crank Handle

The lock-out feature prevents the handle from closing prematurely while operating the window. The handle can be easily put in the closed position by engaging the lever on the back (as pictured below).

White, beige or sandstone interior windows come standard with matching hardware. Upgrade to one of the beautiful decorative finishes on any window, enhancing the overall beauty of your room.

STYLE YOUR WINDOW WITH GRIDS

The style of grids you choose can make a big impact on your home's appearance. Grids look great on the front side of a house or in accent windows throughout the home. You can choose from internal or external grids and several grid patterns including Cottage, Colonial and Prairie styles.

External Grids

Simulated Divided Lites (SDL)
Grids are applied to the glass on both the interior and exterior of the window.

Internal Grids

If you want grids, but prefer not to clean around them, opt for internal grids so you get the same look and feel, without the hassle.

TERMS AND CONDITIONS

You may cancel this contract from the day you enter into the contract until 10 days after you receive a copy of the contract. You do not need a reason to cancel. If you do not receive the goods or services within 30 days of the date stated in the contract, you may cancel this contract within one year of the contract date. You lose that right if you accept delivery after the 30 days. There are other grounds for extended cancellation. For more information, you may contact your provincial/ territorial consumer affairs office. If you cancel this contract, the seller has 15 days to refund your money and any trade-in, or the cash value of the trade-in. You must then return the goods. To cancel, you must give notice of cancellation at the address in this contract. You must give notice of cancellation by a method that will allow you to prove that you gave notice, including registered mail, fax or by personal delivery.

I understand that if rot is discovered during the project, COMPANY NAME reserves the right to replace wood surrounding areas and bill me up to \$200 in addition to the estimated cost below without notifying me in advance. COMPANY NAME will call me for authorization if wood replacement will exceed \$200.

I understand that I must remove items from the interior walls of my home that may be damaged or fall due to vibrations from the removal/installation of materials (if applicable), or installation of siding. COMPANY NAME is not liable for such damages.

I understand that minor stucco damage may result when the windows are removed, especially where improperly applied. COMPANY NAME is not liable for repairing said damage.

I understand that any warranty for material used during the project is provided by the material manufacturer. Unless agreed upon otherwise, COMPANY NAME provides a 5-year Workmanship Warranty on portions of the project in which COMPANY NAME fully replaced any existing products. Full warranty details available by request.

I understand that, unless agreed upon. This does not apply to products, some of which may deteriorate more rapidly (ie. sealants) and should be inspected on a regular basis, and am not responsible for material shortage and have no claim to material surpluses.

I certify that I am the registered owner of the above project property, or have the legal permission to authorize COMPANY NAME to perform the work as stated and agree to pay the total project price.

I understand that any insurance claims are subject to the specific terms and conditions outlined by my insurance company, and may be subject to insurance company approval.

I understand that payment in full is due upon completion of work as stated in contract. All invoices not paid in full after 15 days will be subject to a 2% per month interest charge.

I understand that approval of my estimate is subject to customer credit approval by COMPANY NAME. I agree that COMPANY NAME may access my credit bureau report(s), trade references, and other credit information prior to granting credit approval.

I acknowledge that I have read and understand this page. Initials: _____

WARRANTY

This document warrants that should a defect in workmanship, related to the work completed by COMPANY NAME, occur within 5 years of the project, COMPANY NAME will complete repairs within the original project's scope of work at no charge to the customer. This warranty does not cover normal wear and tear, hail damage, wind damage, sun damage, water damage, intentional or accidental damage by any person, or acts of God that may or may not merit an insurance claim. This warranty only applies to portions of the project in which COMPANY NAME fully replaced any existing products, and does not cover repairs or service done to another contractor's work. Defects in the building materials used to complete work do not fall under the scope of this workmanship warranty; any building products installed will instead be covered by the product's original manufacturer warranty.
